The following RCRA ID number has been inactivated:

RCRA ID number: CAR000130690
MOSS BROS FORD
1900 W VALLEY BLVD
COLTON, CA 92324

The US Environmental Protection Agency (EPA) has inactivated the Resource Conservation and Recovery Act Identification Number (RCRA ID Number) for the RCRA Subtitle C Site located at the address shown above, in response to a letter received from your RCRA Subtitle C Site.

The RCRA ID number was inactivated because of one of the following reasons stated in your letter:

- (1) the hazardous waste activity at this location has ceased;
- (2) the waste activity is not subject to RCRA regulation; or
- (3) the waste activity is monitored under another RCRA ID number.

If in the future your RCRA Subtitle C Site conducts RCRA regulated waste activity at either this location or another location, you will have to notify the EPA of your activity by submitting a new RCRA Subtitle C Site Identification Form (Form 8700-12). Each section of the new form must be filled out completely.

For assistance regarding RCRA regulations, access the following websites:
